COMPREHENSIVE RESULTS REPORTING

E-FORM MESSAGING

Transferring data collection online can make life a lot easier for everyone. No more time-consuming paperwork for staff; convenient one-click response for parents. For surveys, confirmations and authorisations, you can create E-Forms in minutes using the handy drag-and-drop form builder, and share, via a personalised email link, with the whole school, or selected groups drawn from your existing MIS. Then once the replies come flooding in, the system automatically collates the data, ready for reporting and analysis.

ClarionCall E-Forms are fully integrated with a wide range of additional services to help you communicate clearly and effectively with parents to manage everything from surveys to updating contact records to activities, trips and events.

IT'S QUICK AND EASY TO;

- Create and publish secure online forms with simple drag-and-drop tools.
- Mix and match input formats like menus, check boxes and text entry.
- Send a personalised link by email so parents can respond in a click, at any time, from any device.
- Set closing dates to prompt timely replies.
- Input data manually for parents who prefer to feed back by phone.
- Build a library of standard form templates to copy and re-use regularly.
- View replies instantly, with all results collated for analysis and reporting.

Extend your solution with E-FormEnhance – extended formatting and response field options, plus additional security features.
